

WORKING STUDENT

Our motto? Stay cool during turbulent times!

We look for “smart brains”.

Working at Orca Capital means being interested in analyzing different political and economic situations and being able to develop various trading strategies.

We practice what we do.

Success needs space. Thus, we enjoy working in our flexible and motivated team with flat hierarchies.

We live stock exchange - you?

YOUR CAREER AT ORCA CAPITAL

At our family office in Pfaffenhofen near Ingolstadt and Munich you are going to take over responsibility for up to 20 hours a week during the semester and up to 40 hours a week during semester holidays. You will be able to get personally involved in supporting and developing different short-term trading strategies.

- Analyzing trends on (inter-)national stock exchanges after on-the-job training
- Monitoring capital markets for short-term oriented trading strategies
- Creating own trading ideas and pitching these ideas to traders

YOUR PROFILE AS WORKING STUDENT (M/F/D)

We are continuously looking for smart and highly engaged (young) professionals who share our fascination and passion for the capital and stock markets all over the world.

- Good understanding of figures and the ability to work in an IT-based environment
- High level of independence and initiative and willingness to assume responsibility

You are a student searching for trading in practice? Get in touch with us and boost your career with Orca. We are looking forward to hearing from you!
